|                      |                                           |
|----------------------|-------------------------------------------|
| Product Category     | Buffer and solid products                 |
| Product Model Number | <u>1579</u>                               |
| Lot Number           | <u>25H100242</u>                          |
| Method               | Verification of mass and pH (for buffers) |

| Determination             | Specification | Result |
|---------------------------|---------------|--------|
| Average mass              | N/A           | N/A    |
| Average Ph (buffers only) | 9.00 ± 0.10   | 8.93   |
