Assembly

- Pre-assemble each of the four hexagon head bolts (2) with a nut (3) and a lock washer (4) to a clamping device (1).
- Assemble the shed to the preassembled clamping device using the Cap screws (5) and shims (6).
- Position both clamping devices at the pipe and fix them using the four nuts (7) and the four lock washers (8).

Materials

All parts are made of stainless steel 1.4301.
