

YSI Winter Maintenance Specials

LIMITED TIME ONLY: DECEMBER 1, 2022 – APRIL 15, 2023

Routine maintenance can make all the difference in the performance of your equipment.

Know the Benefits

Longer life expectancy for your monitoring equipment

Less downtime and missed data in the field when sampling

Lower overall repair costs over the life of your equipment

Ensure the highest quality data for another sampling season

Instructions for Sending in Your Instrument

1 Download the [YSI Product Return Form](#) and fill out the required fields.

2 Specify **WINTER MAINTENANCE** as the reason for equipment return.

3 Include the form with your equipment and ship to our Yellow Springs facility:

YSI Service Center
1725 Brannum Lane
Yellow Springs, Ohio 45387

4 Check the status of your repair at any time on our online [Repair Status Checker](#).
